High Holidays Services

At **CLTC**:

Serious,

Friendly,

Inspiring,

Friendly,

Meaningful,

Friendly,

Spiritual.

And — Friendly!

Rosh Hashana Services at CLTC are **friendly** enough for every kind of Jew. That's why we'll have exciting services (in Hebrew and English), a children's program, classes, a warm environment with friendly people—and a serious Kiddush.

It's for the entire community, a place for anybody to feel the sweetness of the New Year without having to be judged, at least not by us. Because everybody should have a place to feel comfortable on the High Holidays. We feel strongly about that.

And the kids will love it too, with exciting activities featuring stories, songs, and snacks (and there's even babysitting if you need it.)

Of course, possibilities for High Holiday spiritual connections are truly infinite but seating is limited. Everyone is invited, so give us a call to let us know you're coming, and put the High into your Holidays.
